Please continue to follow the hygiene and spacing rules. If you feel ill, please refrain from visiting us.

We are required to record contact information of all guests so that the health department can trace chains of infection, if necessary.

Registration is done via the LUCA app - you will find a corresponding QR code on the table. Registration can also be done on paper.

We consistently adhere to the hygiene rules. A large amount of air is regularly circulated through our ventilation system, which means that filtered, fresh air is blown into the guest room and stale air is extracted.

Stay healthy. We look forward to your visit!
